MASTER ORDERING AGREEMENT
VA-030700-DLT
BETWEEN
THE COMMONWEALTH OF VIRGINIA
AND
DLT SOLUTIONS, INC.

1. SCOPE OF CONTRACT

This is a Master Ordering Agreement (the "Agreement" or "Contract") between the Commonwealth of Virginia, hereinafter referred to as "Commonwealth" or "State" or "VITA" (Virginia Information Technologies Agency) and DLT SOLUTIONS, INC. (the "Contractor"), a Virginia corporation having its principal place of business at 360 Herndon Parkway, Ste 700, Herndon, VA 20170-4824. This Agreement contains the Contractual terms and conditions by which the Commonwealth will establish a Master License Ordering Agreement for State Agencies, Institutions, and other public bodies as defined in Section 2.2-4301. Definitions of the Virginia Public Procurement Act (VPPA), as amended, and hereinafter referred to as "Authorized Users" to acquire "Software" and "Services" pursuant to the Commonwealth's Request For Proposal #2003-41, dated April 4, 2003 (the "RFP") and the Contractor's proposal, dated May 4, 2003 in response thereto.

Upon award, all orders for Software and Services delineated in Attachment A, attached hereto and incorporated herein, will be placed directly with the Contractor by Authorized Users.

The Virginia General Assembly passed legislation that abolished the Department of Information Technology ("DIT") as of July 1, 2003. All activities and functions of DIT will be consolidated into a new agency that will become the Virginia Information Technologies Agency ("VITA"). Therefore, for purposes of this Contract ("Agreement") all references to either the Commonwealth, DIT, or VITA, shall have the same meaning.

2. INTERPRETATION OF AGREEMENT

As used in this Agreement, "Software" and "Software Product" shall include all related materials and documentation, whether in machine-readable or printed form.

The documents comprising this Agreement, and their order of precedence in case of conflict, are: (1) this document, consisting of Terms and Conditions labeled 1 through 60, Attachment A, entitled *Product Pricing* and Attachment B entitled *Lobbying Certificate*; (2) the Commonwealth's RFP 2003-41, dated April 4, 2003, and amendments thereto, (3) the Contractor's proposal dated May 5, 2003 in response to the Commonwealth's RFP 2003-41 dated April 4, 2003 and amendments thereto; and (4) all executed Orders and Attachments referencing this Agreement, and (5) Attachment C, as incorporated herein.

For the convenience of the parties, it is understood that a shrink-wrap, click-wrap or other license agreement from the owner of each Software Product (collectively, the "Click-wrap agreements") may be shipped with or incorporated into each Software Product delivered under this Agreement. Attachment C contains copies of all the Click-wrap agreements for all of

the Software Products identified in this Agreement and a copy of a correspondence from Symantec dated August 25, 2003, signed by Mr. Keating, Corporate Counsel, and correspondence from Michael Watkins, Autodesk, Inc., to Jeff Davis, dated September 9, 2003. The Contractor represents and warrants that the Click-wrap agreements shipped with or incorporated into each individual Software Product delivered under this Agreement will be as represented in Attachment C. If any Software Product delivered under this Agreement is shipped with or incorporates a Click-wrap agreement that is different than the relevant document in Attachment C, then the Contractor shall indemnify the Commonwealth, its officers, agents, and employees from any and all additional liabilities, expenses, burdens, or other obligations incurred by them as a result of opening the package, clicking on an "I agree" button or taking any other action deemed to be an acceptance of the Click-wrap agreement. This indemnification obligation shall apply without regard to whether the user, using agency, or VITA was aware of the differences in the Click-wrap agreement before or after they became binding.

As between the Contractor and the Commonwealth, this Master Order Agreement identifies all of the terms, conditions and liabilities and obligations applicable between the parties. If any Click-wrap agreement shipped with or incorporated into any Software Product contains any provisions purporting to define different or additional terms and conditions to be applicable between the Commonwealth and the Contractor, Contractor hereby waives any such additional or different terms and conditions.

THE UNIFORM COMPUTER INFORMATION TRANSACTION ACT (UCITA) SHALL NOT APPLY TO THIS AGREEMENT.

If any term or condition of this Agreement is found to be illegal or unenforceable, it shall be severed, and the validity of the remaining terms and conditions shall not be affected.

Nothing in this Agreement shall be construed as an express or implied waiver of the Commonwealth's sovereign or Eleventh Amendment immunity, or as a pledge of its full faith and credit.

3. VENDORS MANUAL

This solicitation is subject to the provisions of the Commonwealth of Virginia *Vendors Manual* and any changes or revisions thereto, which are hereby incorporated into this contract in their entirety. The procedure for filing contractual claims is in section 7.19 of the *Vendors Manual*. A copy of the manual is normally available for review at the purchasing office and is accessible on the Internet at www.dgs.state.va.us/dps under “Manuals.”

4. APPLICABLE LAWS AND COURTS

This solicitation and any resulting Contract shall be governed in all respects by the laws of the Commonwealth of Virginia and any litigation with respect thereto shall be brought in the courts of the Commonwealth. The Contractor shall comply with all applicable federal, state and local laws, rules and regulations.

5. ANTI-DISCRIMINATION

By submitting their offers, offerors certify to the Commonwealth that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians With Disabilities Act, the Americans With Disabilities Act and §2.2-4311 of the Virginia Public Procurement Act. If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, Services, or disbursements made pursuant to the Contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that Contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (Code of Virginia, § 2.2-4343.1E)

In every Contract over $10,000 the provisions in a. and b. below apply:

a. During the performance of this Contract, the Contractor agrees as follows:

   1) The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

   2) The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.

   3) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for meeting these requirements.

b. The Contractor will include the provisions of 1, above, in every subcontract or purchase order over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

6. ETHICS IN PUBLIC CONTRACTING

By submitting their offers, offerors certify that their offers are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor in connection with their offer, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than

nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

7. IMMIGRATION REFORM AND CONTROL ACT OF 1986

By submitting their offers, offerors certify that they do not and will not during the performance of this Contract employ illegal alien workers or otherwise violate the provisions of the federal Immigration Reform and Control Act of 1986**.**

8. DEBARMENT STATUS

By submitting their offers, offerors certify that they are not currently debarred by the Commonwealth of Virginia from submitting offers on Contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.

9. ANTITRUST

By entering into a Contract, the Contractor conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Commonwealth of Virginia under said Contract.

10. MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS FOR IFBs AND RFPs

Failure to submit an offer on the official state form provided for that purpose shall be a cause for rejection of the offer. Modification of or additions to any portion of the Request for Proposal may be cause for rejection of the offer; however, the Commonwealth reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a offer as non-responsive. As a precondition to its acceptance, the Commonwealth may, in its sole discretion, request that the offeror withdraw or modify non-responsive portions of an offer which do not affect quality, quantity, price, or delivery. No modification of or addition to the provisions of the Contract shall be effective unless reduced to writing and signed by the parties.

11. CLARIFICATION OF TERMS

If any prospective offeror has questions about the specifications or other solicitation documents, the prospective offeror should contact the buyer no later than April 17th. Any revisions to the solicitation will be made only by addendum issued by the buyer.

12. PAYMENT

a. To Prime Contractor**:**

1) Invoices for items ordered, delivered and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/Contract. All invoices shall show the state Contract number and/or purchase order number; social security number (for individual Contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).

2) Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.

3) All goods or services provided under this Contract or purchase order, that are to be paid for with public funds, shall be billed by the Contractor at the Contract price, regardless of which public agency is being billed.

4) The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.

5) **Unreasonable Charges**. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, Contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges that appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the Contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A Contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges that are not in dispute (Code of Virginia, § 2.2-4363).

b. To Subcontractors:

1) A Contractor awarded a Contract under this solicitation is hereby obligated:

(a) To pay the subcontractor(s) within seven (7) days of the Contractor's receipt of payment from the Commonwealth for the proportionate share of the payment received for work performed by the subcontractor(s) under the Contract; or

(b) To notify the agency and the subcontractor(s), in writing, of the Contractor's intention to withhold payment and the reason.

2) The Contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the Contract) on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from the Commonwealth, except for amounts withheld as stated in (2) above.

The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier Contractor performing under the primary Contract. A Contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth.

13. QUALIFICATIONS OF OFFERERS

The Commonwealth may make such reasonable investigations as deemed proper and necessary to determine the ability of the offeror to perform the services/furnish the goods and the offeror shall furnish to the Commonwealth all such information and data for this purpose as may be requested. The Commonwealth reserves the right to inspect offeror's physical facilities prior to award to satisfy questions regarding the offeror's capabilities. The Commonwealth further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such offeror fails to satisfy the Commonwealth that such offeror is properly qualified to carry out the obligations of the Contract and to provide the services and/or furnish the goods contemplated therein.

14. TESTING AND INSPECTION

The Commonwealth reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.

15. ASSIGNMENT OF CONTRACT

A Contract shall not be assignable by the Contractor in whole or in part without the written consent of the Commonwealth.

16. MODIFICATIONS

This Contract may be modified in accordance with 2.2-4309 of the Code of Virginia. Such modifications may only be made by the representatives noted below. No modifications to this Contract shall be effective unless it is in writing and signed by the duly authorized representative of both parties. No term or provision hereof shall be deemed waived and no breach excused unless such waiver or consent to breach is in writing.

Any Contract issued on a firm fixed price basis may not be increased more than twenty five percent (25%) of $50,000.00 whichever is greater, without the approval of the Governor of the Commonwealth of Virginia or his authorized designee.

18. USE OF BRAND NAMES

Unless otherwise provided in this solicitation, the name of a certain brand, make or manufacturer does not restrict offerors to the specific brand, make or manufacturer named, but conveys the general style, type, character, and quality of the article desired. Any article that the public body, in its sole discretion, determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The offeror is responsible to clearly specify and identify the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable the Commonwealth to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified.

19. TRANSPORTATION AND PACKAGING

By submitting their offer, all offerors certify and warrant that the price offered for F.O.B. destination includes only the actual freight rate costs at the lowest and best rate and is based upon the actual weight of the goods to be shipped. Except as otherwise specified herein, standard commercial packaging, packing and shipping containers shall be used. All shipping containers shall be legibly marked or labeled on the outside with purchase order number, commodity description, and quantity.

20. INSURANCE

For construction Contracts, if any subcontractors are involved, the subcontractor will have workers' compensation insurance in accordance with §§ 2.2-4332 and 65.2-800 et seq. of the Code of Virginia. The offeror or offeror further certifies that the Contractor and any subcontractors will maintain these insurance coverages during the entire term of the Contract and that all insurance coverages will be provided by insurance companies authorized to sell insurance in Virginia by the Virginia State Corporation Commission.

INSURANCE COVERAGES AND LIMITS REQUIRED:

a. Worker's Compensation - Statutory requirements and benefits.

b. Employers Liability - $100,000.

c. Commercial General Liability - $500,000 combined single limit. Commercial General Liability is to include Premises/Operations Liability, Products and Completed Operations Coverage, and Independent Contractor's Liability or Owner's and Contractor's Protective Liability. The Commonwealth of Virginia must be named as an additional insured when requiring a Contractor to obtain Commercial General Liability coverage.

21. ANNOUNCEMENT OF AWARD

Upon the award or the announcement of the decision to award a contract as a result of this solicitation, ASD will publicly post such notice on its website at http://asd.state.va.us/ for a minimum of ten (10) days. Additionally, a public posting of the award will be available on the eVA webpage at http://awards.dgs.state.va.us/Award-View.asp.

22. DRUG-FREE WORKPLACE

During the performance of this Contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific Contract awarded to a Contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the Contract.

23. NONDISCRIMINATION OF CONTRACTORS

An offeror or Contractor shall not be discriminated against in the solicitation or award of this Contract because of race, religion, color, sex, national origin, age, or disability or against faith-based organizations. If the award of this Contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this Contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

24. eVA BUSINESS-TO-GOVERNMENT VENDOR REGISTRATION

The eVA Internet electronic procurement solution, web site portal www.eva.state.va.us, streamlines and automates government purchasing activities in the Commonwealth. The portal is the gateway for vendors to conduct business with state agencies and public bodies.

All vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet e-procurement solution either through the eVA Basic Vendor Registration Service or eVA Premium Vendor Registration Service, and complete the Ariba Commerce Services Network registration.

Vendors are strongly encouraged to register prior to submitting a bid or offer. Failure to register will result in the bid being found non-responsive and rejected. All vendors must register in both the eVA and the Ariba Commerce Services Network Vendor Registration Systems.

a. eVA Basic Vendor Registration Service: $25 Annual Fee plus a Transaction Fee of 1% per order received. The maximum transaction fee is $500 per order. eVA Basic Vendor Registration Service includes electronic order receipt, vendor catalog posting, on-line registration, and electronic bidding, as they become available.

b. eVA Premium Vendor Registration Service: $200 Annual Fee plus a Transaction Fee of 1% per order received. The maximum transaction fee is $500 per order. eVA Premium Vendor Registration Service includes all benefits of the eVA Basic Vendor Registration Service plus automatic email or fax notification of solicitations and amendments, and ability to research historical procurement data, as they become available.

Effective until July 1, 2003, the Commonwealth will direct AMS not to invoice for the 1% transaction fee for orders issued during the period July 1, 2002, through June 30, 2003, to allow additional time for vendors to become electronically enabled. AMS will continue to invoice for transaction fees accrued prior to July 1, 2002. To enable vendors to analyze the future impact of transaction fees, AMS will issue "no pay" invoices for transaction fees that would normally accrue during the period of July 1, 2002, through June 30, 2003. For contracts that extend beyond June 30, 2003, contractors may request price adjustments to incorporate the eVA transaction fee, as provided in the Price Escalation/De-escalation clause in the Terms and Conditions of the contract.

c. Ariba Commerce Services Network Registration. The Ariba Commerce Services Network (ACSN) registration is required and provides the tool used to transmit information electronically between state agencies and vendors. There is no additional fee for this service.

eVA BUSINESS-TO-GOVERNMENT CONTRACTS

The eVA Internet electronic procurement solution, web site portal www.eva.state.va.us, streamlines and automates government purchasing activities in the Commonwealth. The portal is the gateway for vendors to conduct business with state agencies and public bodies.

Failure to comply with the requirements in a. and b. below will be just cause for the Commonwealth to reject your bid/offer or terminate this contract for default.

Vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet e-procurement solution and agree to comply with the following:

a. Submit a fully executed American Management Systems, Inc., (AMS) Trading Partner Agreement, a copy of which can be accessed and downloaded from www.eva.state.va.us. AMS is the Commonwealth's service provider to implement and host the eVA e-procurement solution.

b. Provide an electronic catalog (price list) for items awarded under a term contract. The format of this electronic catalog shall conform to the eVA Catalog Interchange Format (CIF) Specification that can be accessed and downloaded from www.eva.state.va.us.

25. BREACH

The Contractor shall be deemed in breach of this Agreement if the Contractor (a) fails to make any Product or Service ready for acceptance testing by the specified delivery date; (b) repeatedly fails to respond to requests for maintenance or other required service within the time limits set forth in this Agreement; (c) fails to comply with any other term of this Agreement and fails to cure such noncompliance within ten days (or such greater period as is acceptable to the Commonwealth) following Contractor's receipt of a Show Cause Notice identifying such noncompliance; or (d) fails to provide a written response to the Commonwealth's Show Cause Notice within ten days after receiving same.

The Contractor shall not be in breach of this Agreement if its default was due to causes beyond the reasonable control of, and occurred without any fault or negligence on the part of, both the Contractor and its subcontractors. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of the Commonwealth in either its sovereign or Contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather.

In the event of breach, in addition to any other remedies provided by law, the Commonwealth may cancel its obligations with respect to any or all unaccepted Products or Services. All costs for de-installation and return of Products shall be borne by the Contractor. In no event shall any failure by the Commonwealth to exercise any remedy available to it be construed as a waiver of or consent to any breach.

26. CONTRACTOR COMMITMENTS, WARRANTIES AND REPRESENTATIONS

Any commitment made by the Contractor within the scope of this Contract shall be binding upon Contractor. For the purposes of this Contract, a commitment by the Contractor includes:

a. Prices and options committed to remain in force over a specified period(s) of time;

b. Any written warranty or representation made by the Contractor in this solicitation as to hardware or software performance, or other physical design or functional characteristics of that which is offered.

27. DELIVERY DATE

The Contractor shall deliver the Products, and Software ready for testing, by the delivery date specified in any executed Attachment or Order referencing the Agreement, or within five (5) days After Receipt of the Order (ARO) if no date is specified. If delivery of all Products and Software is not completed within the time specified, the Commonwealth may cancel the Agreement or any individual Order without further obligation. The Commonwealth may postpone any delivery date by notifying the Contractor at least seven (7) days prior to the delivery date. However, the delivery date shall not be postponed more than a total of thirty (30) days.

28. AVAILABILITY OF SOFTWARE

The Contractor represents and warrants that all Products were formally announced for marketing purposes before execution of this Agreement or, in the case of subsequent Orders, before execution of such Orders.

29. PRODUCT CONDITION

All products to be supplied by Contractor shall be new.

30. PATENT/COPYRIGHT PROTECTION

Contractor, at its own expense, shall defend any suit brought against the Commonwealth for the infringement of patents, copyrights or trade secrets enforceable in the United States if the claim of infringement is alleged to relate to or arise from the Contractor's or Commonwealth's use of any Software, materials or information prepared, developed or delivered in connection with performance of this Agreement. In such suit, Contractor shall indemnify the Commonwealth, its agents, officers and employees for any loss, liability or expense incurred as a result of such suit.

The purchasing agency shall notify the Contractor of such suit within a reasonable time after learning of it and shall give the Contractor the full right and opportunity to conduct the defense of the suit, subject however to the requirements of Section 2.2-510 and Section 2.2-514 of the Code of Virginia or any successor statute. If principles of governmental or public law are involved, the Commonwealth may, at its option and expense, participate in the defense of the suit.

The Contractor shall not be required to indemnify the Commonwealth for liability arising solely out of the Commonwealth's own specifications or design or solely from the combination of Software furnished hereunder with any Software not supplied by the Contractor.

If, any Product or Service becomes, or in the Contractor's opinion, is likely to become, the subject of a claim of infringement, Contractor may, at its option, provide non-infringing substitutes that are satisfactory to the Commonwealth, or at Contractor's option and expense, may obtain the right for the Commonwealth to continue the use of such Product or Service.

If the use of such Software by the Commonwealth is prevented by permanent injunction or by Contractor's failure to procure the right for the Commonwealth to continue using the Software, the Contractor agrees to take back the infringing Software, materials or information and refund the total amount the Commonwealth has paid Contractor under this Agreement, less one half (1/2%) percent of the total paid for each month of use by the Commonwealth. This obligation is in addition to the obligations cited in the first four subparagraphs above.

31. NON-APPROPRIATION

All funds for payment of Software or Services ordered under this Contract are subject to the availability of legislative appropriation for this purpose. In the event of non-appropriation of funds by the Legislature for the items under this Contract, the Commonwealth will terminate this Contract for those goods or services for which funds have not been appropriated. Written notice will be provided to the Contractor as soon as possible after legislative action is completed.

If any purchases are to be supported by federal funding, and such funding is not made available, the Commonwealth may terminate this Contract for goods or services dependent on such federal funds without further obligation.

32. HEADINGS NOT CONTROLLING

Headings used in this Contract are for reference purposes only and shall not be considered to be a substantive part of this Contract.

33. PRICE PROTECTION/ADJUSTMENTS

The State will not pay any additional costs above those costs provided for in the Schedule identified herein. In no event may the amount of any Contract, without adequate consideration, be increased for any purpose.

Any price decrease effectuated during the Contract period by reason of market change shall be passed on to the Commonwealth of Virginia. This decrease will be effective on the date the price decrease is announced to the general public.

34. TERM

This Agreement shall take effect on the date of its final execution by both parties, and continue for two (2) years, “initial Term”. The Commonwealth at its sole discretion may extend this Agreement for three (3) additional one (1) year periods. The Commonwealth will issue a written notification to the Contractor stating the extension period, 30 days prior to the expiration of any current Term.

35. INVENTIONS AND COPYRIGHTS

The Contractor is prohibited from copyrighting any papers, reports, forms or other materials, and from obtaining any patent on any invention or other discovery resulting solely from its performance under the terms and conditions of this Contract.

36. CONTRACTUAL RECORDS

All Contractual books, records and other documents related to matters under this Contract shall be made available by Contractor to the State and its designated agents for a period of five (5) years after final payment for purposes of audit and examination.

Contractual records are hereby further defined as this Contract and all delivery/purchase orders, invoices or correspondence directly relating to this agreement.

37. LIMITATION OF LIABILITY

To the maximum extent permitted by applicable law, the Contractor will not be liable under this Contract for any indirect, incidental, special or consequential damages, or damages from loss of profits, revenue, data or use of the supplies, Software, and/or services delivered under this Contract. This limitation of liability will not apply, however, to liability arising from: (a) personal injury or death; (b) defect or deficiency caused by willful misconduct or negligence on the part of the Contractor; or (c) circumstances where the Contract expressly provides a right to damages, indemnification or reimbursement.

38. SUPPLIES

Authorized charges do not include operational supplies (e.g. paper, tape, etc.) unless such supplies are specifically identified in the Schedule. VERITAS DOES NOT WARRANT THAT THE LICENSED SOFTWARE SHALL MEET CUSTOMER'S REQUIREMENTS OR THAT USE OF THE LICENSED SOFTWARE SHALL BE UNINTERRUPTED OR ERROR FREE.

10. INTELLECTUAL PROPERTY INDEMNIFICATION

10.1 VERITAS shall defend any claim against Customer that the Licensed Software infringes any intellectual property right of a third party in the Territory, provided that the country within the Territory is a signatory to the Berne Convention, and shall indemnify Customer against any and all damages finally awarded against the Customer by a court of final appeal, or agreed to in settlement by VERITAS and attributable to such claim, so long as Customer: (i) provides VERITAS prompt written notice of the claim; (ii) provides VERITAS all reasonable assistance and information to enable VERITAS to perform its duties under this Section; and (iii) allows VERITAS sole control of the defense and all related settlement negotiations; and iv) has not compromised or settled such claim. If the Licensed Software is found to infringe, or if VERITAS determines

in its sole opinion that it is likely to be found to infringe, then VERITAS may: (i) obtain for Customer the right to continue to use the Licensed Software; (ii) modify the Licensed Software to be non-infringing or replace it with a non-infringing functional equivalent, in which case Customer shall stop operating any infringing version of the Licensed Software; or (iii) terminate Customer's rights and VERITAS' obligations under this Agreement with respect to such Licensed Software and refund to Customer the unamortized portion of the license fee paid for the relevant Licensed Software based on a five year straight-line depreciation schedule, such depreciation schedule to be deemed to have commenced on the delivery date of the relevant Licensed Software.

10.2 VERITAS does not assume liability for infringement claims arising from (i) modification of the Licensed Software other than by VERITAS; (ii) use of the Licensed Software other than in accordance with the Documentation and this Agreement; (iii) combination, use, or operation of the Licensed Software with products not provided by VERITAS; (iv) Customer's use of the Licensed Software outside the Territory; or (v) use of an allegedly infringing version of the Licensed Software if the alleged infringement could be avoided by the use of a different version of the Licensed Software made available to the Customer.

10.3 THIS SECTION 10 STATES CUSTOMER'S SOLE AND EXCLUSIVE REMEDY AND VERITAS' SOLE AND EXCLUSIVE LIABILITY REGARDING INFRINGEMENT OR MISAPPROPRIATION OF ANY INTELLECTUAL PROPERTY RIGHTS OF A THIRD PARTY.

11. TERM; TERMINATION

11.1 Term. Each license granted for the Licensed Software under this Agreement shall remain in effect perpetually unless terminated as provided in Sections 11.2 or 11.3 below.

11.2 Default; Bankruptcy. 11.3 Termination for Convenience. Customer may terminate this Agreement and its license to the Licensed Software at any time, subject to Section 11.4 below.

11.4 Effect of Termination. Upon termination of this Agreement, Customer must immediately discontinue use of and destroy all copies of the Licensed Software in its possession or control, including any master copy, and within ten (10) days certify in writing to VERITAS through a corporate officer that all such copies have been destroyed. Any payment obligations of Customer incurred prior to termination shall survive termination of this Agreement.

11.5 Survival. Sections 4, 8, 10, 12, 13, 14, 15 and 16 shall survive termination of this Agreement.

12. LIMITATION OF LIABILITY

IN NO EVENT SHALL VERITAS OR ITS SUPPLIERS BE LIABLE TO CUSTOMER OR ANY PERSON FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION, LOSS OF PROFITS, LOSS OF DATA, BUSINESS INTERRUPTION OR ANY AND ALL OTHER SIMILAR DAMAGES OR LOSS, EVEN IF VERITAS, ITS RESELLERS, SUPPLIERS OR ITS AGENTS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. EXCEPT AS LIMITED BY APPLICABLE LAW AND EXCEPT FOR VERITAS' INDEMNITY OBLIGATIONS UNDER SECTION 10, INTELLECTUAL PROPERTY INDEMNIFICATION, AND REGARDLESS OF THE LEGAL BASIS FOR CUSTOMER'S CLAIM, VERITAS' TOTAL LIABILITY UNDER THIS AGREEMENT SHALL BE LIMITED TO DIRECT DAMAGES WHICH SHALL NOT EXCEED THE FEES PAID FOR THE LICENSED SOFTWARE OR SERVICES GIVING RISE TO THE CLAIM. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING THE FAILURE OF THE ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.

13. INSPECTION OF RECORDS

Customer agrees to keep accurate business records relating to its use of the Licensed Software. Upon thirty (30) days prior written notice, the Customer agrees to provide written reports related to the Customer's use of the Licensed Software to ensure Customer's compliance with its obligations under this Agreement. In the event that Customer fails to provide reports acceptable to VERITAS, VERITAS may inspect Customer's records related to Customer's use of the Licensed Software. Either VERITAS or an independent public accounting firm it selects, under nondisclosure obligations and reasonably acceptable to Customer, shall perform the inspection during Customer's regular business hours with minimal disruption to Customer's ongoing business operations. The inspection shall examine Customer's business records pertaining to the purchase of the Licensed Software and it's deployment within Customer's computing environment. The costs of the inspection shall be paid by VERITAS, unless the inspection discloses Customer's actual use exceeds five (5) percent of the quantity of licenses purchased, in which case, Customer shall pay the reasonable costs of the inspection. VERITAS shall invoice Customer and Customer shall pay VERITAS at the then-current in-country published list price for any noncompliance usage disclosed by the inspection.

Autodesk, Inc. ("Autodesk") grants you a nonexclusive, nontransferable license to use, with equipment owned by you or under your control, the enclosed software program, which program includes, without limitation, the following software components: the Autodesk MapGuide server, the Autodesk MapGuide Author, viewers and data providers (the "Software") and the printed manual and other accompanying material ("Documentation"), according to the terms and conditions of this Agreement.

Additional Definitions:

"Users": Users means your full-time and part-time employees, temporary employees, third-party contractors and consultants and third-party agents and any other third parties that you authorize and enable to access or use the Software in accordance with the terms of this Agreement.

"Authorized Sites": Authorized Site includes locations or facilities from which you operate on a continuous basis in the country in which you purchased the Site License. It does not include any locations or facilities located outside of the country of purchase, or locations or facilities that are owned and operated or otherwise in the control of any of your subsidiaries or other affiliated companies, including any company that owns or holds more than 50% of your outstanding stock.

Named User License: If you purchased the Named User license, you are allowed to provide plug-in capability for the Software to the number of Users for which you have paid the appropriate fee. In addition, the Named User license allows for access and usage by the allowable number of Users (as described above) via an Intranet or Extranet. Intranet/Extranet use means providing access to the Software over a secure private computing network, a restricted universal resource locator (URL), or a password-protected site and is not intended for public use. With the Named User license, you may install as many copies of the Software on your servers as you may need to provide for access by the number of Users for which you have paid the appropriate fee. In addition, there is no restriction on the number of computers upon which you may install the Autodesk MapGuide Author and viewer software components.

Processor License: If you purchased the Processor license, the number of processors you are authorized to run in conjunction with the Software is the number of processors for which you have paid. In addition, the Processor license allows for access and usage by Users via the intranet/extranet and via the internet, as described above. With the Processor license, you may install as many copies of the Software on your servers as you may need for your authorized use. In addition, there is no restriction on the number of standalone computers upon which you may install the Autodesk MapGuide Author and viewer software components.

Site License: If you purchased the Site License, you have the right to install the Software on equipment that is owned or controlled by you and that is located at the Authorized Sites. Your Site License authorizes you to provide MapGuide plug-in capability to an unlimited number of Users for use by such Users over your intranet/extranet or over the internet. With the Site License, you may install as many copies of the Software

on your authorized equipment as you may need for your authorized use. In addition, there is no restriction on the number of standalone computers at the Authorized Sites upon which you may install the Autodesk MapGuide Author and viewer software components.

Evaluation Version: If this Software is identified as a demonstration, evaluation, or NFR version, you may use it only for the purpose of commercial evaluation and demonstration. You may not use it for competitive analysis, or commercial, professional, or for-profit purposes.

Educational Version: If this Software is an Educational Version (i.e. was purchased by an educational institution for educational use), you may use it only for the purpose of educational training, instruction, administration and facilities management, and for no other purpose. Educational Versions of the Software may not be used for commercial, professional, or for-profit purposes. Educational institutions may authorize students and/or faculty to use the Software, in accordance with the terms and conditions of this Agreement, for educational instruction purposes only.

Back-Up Copy: Regardless if which version of the Software you have acquired, this Agreement permits you to make only one archival (back-up) copy of the Software. Such archival copy may not be installed on another computer, unless such computer is a partitioned drive of a server to which only the authorized user has access. In any event, the archival copy may not be used or installed as long as another copy of the Software is installed on any computer. If the Documentation is in printed form, it may not be copied. If the Documentation is in electronic form, you may print out one (1) copy, which may not be copied.

Upgrades: If this Software is labeled as an upgrade to software previously licensed to you, you must destroy all copies of the software previously licensed to you replaced by this Software, including any copies resident on your hard disk drive, and return the hardware lock, if any, which accompanied the software previously licensed to you (unless Autodesk explicitly notifies you that the hardware lock is to be used with the upgrade), within sixty days of acquiring this Software.

Autodesk reserves the right to require you to show satisfactory proof that previous copies of the software have been destroyed. If the Software requires a hardware lock to operate and the hardware lock is not returned within the stipulated period, Autodesk reserves the right to charge you, and you shall pay, the difference in price between the upgrade license price and the suggested retail price of this Software. Software patches, if any, provided to you by Autodesk or an authorized third-party in connection with the Software licensed to you hereunder, shall be subject to the terms and conditions of this Agreement unless otherwise specified at the time of delivery.

Authorization Code: If this Software requires an authorization code, you must register your purchase of this Software product with Autodesk before an authorization code shall be issued to you , and Autodesk shall maintain your registration details in conformance with its privacy policy.

Audit Rights: Autodesk shall have the right to conduct an audit on your premises or by electronic means to ensure that your use of the Software complies with your authorized use of the Software. You hereby consent to Autodesk performing such an audit for said purpose. In the event any audit discloses a breach of this Agreement, Autodesk reserves the right to terminate this Agreement and/or recover damages, attorney's fees, and costs, including the cost of the audit. You agree not to disable any electronic auditing features in the Software.

License Term: Subject to the terms and conditions of this Agreement, the license to use the Software is perpetual, unless the Software is designated as a fixed-term license, a limited duration license or a rental license, and in such case the term of the license shall be the term for which you have paid.

NOTE: ALL REMAINING PROVISIONS OF THIS AGREEMENT APPLY TO ALL VERSIONS OF THIS SOFTWARE.

2. RESTRICTIONS:

You may not decompile the Software if such information is available by licensing any Autodesk Software Developer's Kit through an Authorized Autodesk Reseller or your local Autodesk office.

c. distribute, rent, loan, lease, sell, sublicense or otherwise transfer all or part of the Software, Documentation or any rights granted hereunder to any other person without the prior written consent of Autodesk, with the exception of Autodesk MapGuide Viewer; SDF Component Toolkit; and SDF Loader, all of which are freely transferable provided that they are accompanied with and made subject to this license agreement.

1. Grant of License.

Autodesk, Inc. ("Autodesk") grants you a nonexclusive, nontransferable license to use this program (the "Software") and its manual, if any, and other accompanying material ("Documentation") with equipment owned by you or under your control, according to the terms and conditions of this Agreement. This Agreement permits a single user to install and use the Software on only one computer at one location at any one time.

Network Version: If this Software is a Network Version**,** you may use the Software only over a protected network environment, for your own internal business needs, with the Autodesk License Manager tool, and you may install the Software and operate the Autodesk License Manager tool on a single server computer in a single location which may be accessed by other computers, or on an individual computer, as a multiple-user installation with either:

(i) the maximum number of concurrent users being one (1), so that multiple individuals may access or use the Software, but that only one person at a time may do so; or

(ii) the maximum number of concurrent users being more than one (1), in which case you must purchase an additional license for each additional concurrent user.

Use of software or any device that reduces the number of computers/devices which access the Software when used in a server configuration does not reduce the number of licenses required.

Educational Version: If this Software is an Educational Version, you may use it only for the purpose of instruction and for personal learning purposes, and for no other purpose. Educational Versions of the Software may not be used for commercial, professional, or for-profit purposes.

Evaluation Version: If this Software is identified as a demonstration, evaluation, or NFR version, you may use it only for the purpose of commercial evaluation and demonstration. You may not use it for competitive analysis, or commercial, professional, or for-profit purposes.

Backup Copy: Regardless of which version of the Software you have acquired, you may make one archival (backup) copy of the Software. Such archival copy may not be installed on another computer, unless such computer is a partitioned drive of a server to which only the authorized user has access. In any event, the archival copy may not be used or installed as long as another copy of the Software is installed on

any computer. If the Documentation is in printed form, it may not be copied. If the Documentation is in electronic form, it may not be duplicated electronically, however, you may print out one (1) copy, which may not be copied.

Additional Installation: Except with Educational, Student and Evaluation Versions, you may make a second copy of the Software on the hard disk of a second computer owned by you or under your control provided that (1) the original and second copies are used only by the same person; (2) the second copy is installed and used only on either (i) with respect to Network Versions, a redundant server that makes the Software available for use only when your primary server on which the Software is installed becomes inoperable, or (ii) a notebook computer, home computer, or other non-server computer away from your usual work location for the purpose of enabling you to perform work while away from your usual work location; (3) only one of the Software copies is in use at any one time; (4) the second copy of the Software is used exclusively with the copy protection device (if any) supplied with the Software, and (5) the Software is not licensed and/or labeled as an Educational Version or Student Version.

Upgrades: If this Software is labeled as an upgrade ("New Version") to software previously licensed to you ("Previous Version"), you must destroy all copies of the Previous Version, including any copies resident on your hard disk drive, and upon request by Autodesk return any Documentation to Autodesk or your Autodesk Authorized Reseller within sixty (60) days of acquiring the New Version. Autodesk reserves the right to require you to show satisfactory proof that the Previous Version has been destroyed. In the event Autodesk or an authorized third-party in connection with the Software licensed to you hereunder provides you additional software that supplements or extends the Software, that additional software shall be subject to the terms and conditions of this Agreement unless otherwise specified at the time of delivery.

Notwithstanding the foregoing, you may retain and need not destroy the Previous Version and may use the Previous Version solely if necessary for the purposes of (1) installing the New Version hereby licensed and (2) for archival (backup) purposes in order to reinstall the New Version hereby licensed if the initial installation fails. Under no circumstances may you operate the Previous Version.

Authorization Code: If this Software requires an authorization code, you must register your purchase of this Software with Autodesk before an authorization code shall be issued to you, and Autodesk shall maintain your registration details in conformance with its privacy policy.

License Term: Subject to the terms and conditions of this Agreement, the license to use the Software is perpetual, unless the Software is designated as a fixed-term license, a limited duration license or a rental license, and in such case the term of the license shall be the term for which you have paid.

This Agreement permits a single user to install and use the Software on only one computer at one location at any one time. **Use of this Software beyond the term period outlined on the packaging, or any attempt to defeat the time-control disabling function in the Software is an unauthorized use and shall constitute a violation of this Agreement and copyright laws.**
